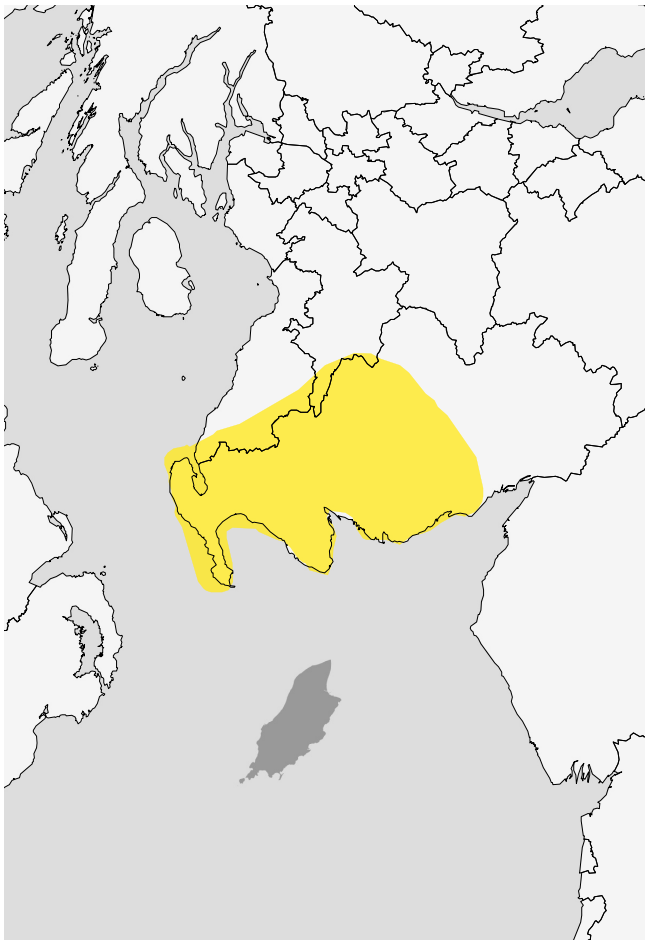
Yellow warning
Rain

Between
02:00 Tue 28 Jun 2022 and
18:00 Tue 28 Jun 2022



A period of heavy rain during Tuesday may lead to some minor flooding for southwest Scotland.

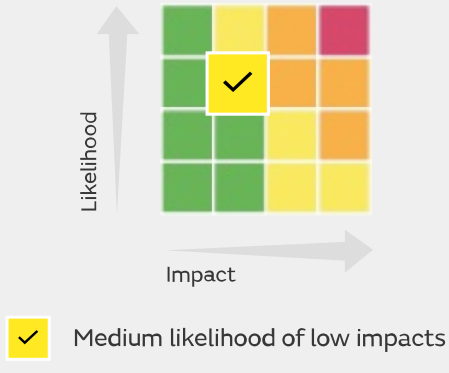
What to expect

- Flooding of a few homes and businesses is possible
- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer

Further details

Heavy and persistent rain accompanied by strong southerly winds will affect southwest Scotland for much of Tuesday, clearing to the east by early evening.

Rainfall totals will be widely 20-30 mm, whilst high ground in the west, particularly around the Galloway Hills, could see 50-60 mm.



Medium likelihood of low impacts
